

DAY 1

OCTOBER 2ND

COURSE DAY

9.00

Welcome

Prof. Lars Andersson and Dr. Eva Lauridsen

9.00 - 10.30

Dr. Mitsuhiro Tsukiboshi

Dr. Mitsuhiro Tsukiboshi sharing experience and practical hints from 40 years of experience of Tooth autotransplantation.

10.30 – 11.00

Coffee

11.00 – 12.30

Dr. Mitsuhiro Tsukiboshi

12.30 – 13.30

Lunch

13.30 – 15.00

Dr. Mitsuhiro Tsukiboshi

15.00 – 15:30

Coffee

15:30 – 16:30

Dr. Mitsuhiro Tsukiboshi and Free Reports

DAY 2

OCTOBER 3RD

9.00-9.15

Welcome
Prof. Lars Andersson and Dr. Eva Lauridsen

Orthodontic Space Closure & Prosthetic Solutions after Tooth Loss in the Anterior Maxilla (Moderated by Dr. Ewa Czochrowska)

9.15-10.00

Dr. Ute Schneider-Moser
Orthodontic Space Closure VS Implant Treatment in the Esthetic Zone

10.00-10.45

Dr. Marco Rosa
Orthodontic space closure in the esthetic zone: effects on hard and soft tissues in patients with and without periodontal breakdown

10.45-11.15

Discussion

11.15-11.45

Coffee

11.45-12.45

Prof. Matthias Kern
Resin-Bonded Fixed Dental Prostheses

12.45-13.45

Lunch

Tooth Replacement in the Anterior Maxilla (Moderated by Prof. Lars Andersson)

13.45-14.30

Prof. Simon Storgaard Jensen
Implant Treatment in the Anterior Maxilla

14.30-15.30

Dr. Dick Barendregt & Dr. Anna Louropoulou
Autotransplantation of Premolars to the Anterior Maxilla

Please note that program is subject to changes

DAY 2

OCTOBER 3RD

15.30-16.00

Coffee

16.00-16.45

Prof. Christer Dahlin

Optimizing Implant Aesthetics in the Maxillary Region using GBR Technique

16.45-17.30

Discussion

Please note that program is subject to changes

DAY 3

OCTOBER 4TH

Autotransplantation & Implants to the Maxillary Anterior Region (Moderated by Dr. Christer Dahlin)

9.00-10.30	Dr. Ewa Czochrowska & Prof. Pawel Plakwicz <i>Autotransplantation to the Anterior Region-Success & Complications Related to Autotransplantation of Immature Teeth</i>
10.30-11.00	Dr. Lars Pallesen <i>Optimizing Implant Esthetics in the Anterior Maxilla w/ Soft Tissue Augmentation</i>
